

2022 Father's Day 5K

Dover, New Hampshire

USATF Certificate
 NH22004BK
 Effective: 04/08/2022
 Through: 12/31/2032

Note: The Shortest Possible Route (SPR) was measured using the full width of the roads or in the restricted lanes on Indian Brook Dr and 6th St.

Start, Finish & Turnaround marked with white paint and a P-K Nail.
 Miles 1 to 3 marked with white paint.

Start: On the northwest side of Indian Brook Dr 43 ft 11 inches SW of the 2nd storm drain, southwest of a fire hydrant, 89 ft 3 inches NE of a green "Bus Terminal" sign on same side, & 38 ft 3 inches NE of the nearest of 2 6-inch diameter metal water line caps in the grass on same side.

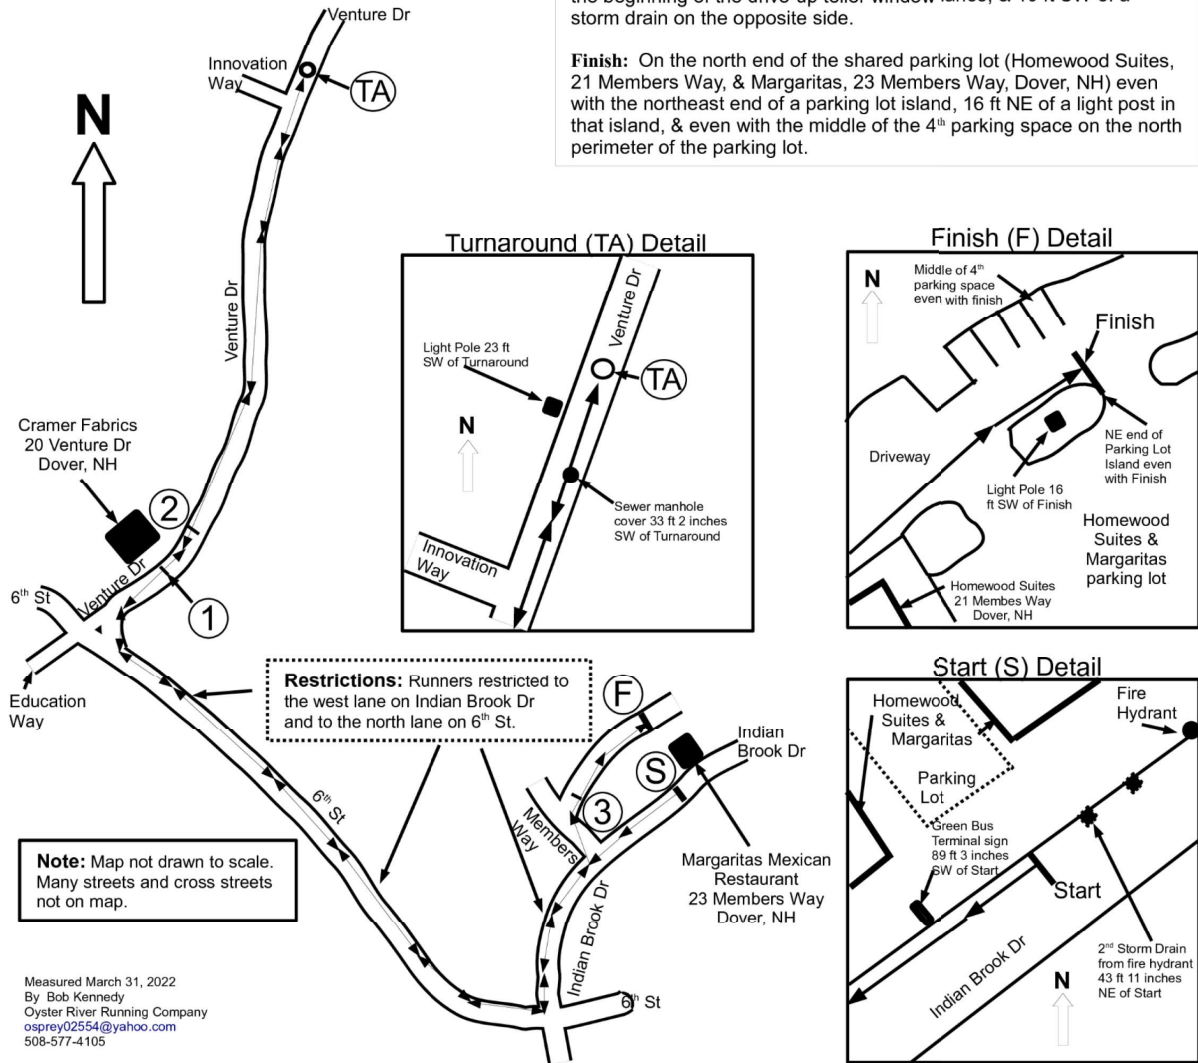

Mile 1: On northwest side of Venture Dr 55 ft NE of a red fire hydrant in front of Cramer Fabrics (20 Venture Dr), & 3 ft SW of 6-inch diameter metal water line cap in the road.

Turnaround: In the middle of Venture Dr just north of Innovation Way, 23 ft N of a street light on the northwest side of Venture Dr, and which is beside a sign for Radiance and Index Packaging, & 33 ft 2 inches N of a sewer manhole cover in the middle of the east lane of Venture Dr.

Mile 2: On northwest side of Venture Dr 57 ft NE of a dark green plastic utility box and about 60 ft NE of the northeast driveway to Cramer Fabrics.

Mile 3: On southeast side of the driveway to Northeast Credit Union at the beginning of the drive-up teller window lanes, & 10 ft SW of a storm drain on the opposite side.

Finish: On the north end of the shared parking lot (Homewood Suites, 21 Members Way, & Margaritas, 23 Members Way, Dover, NH) even with the northeast end of a parking lot island, 16 ft NE of a light post in that island, & even with the middle of the 4th parking space on the north perimeter of the parking lot.

Restrictions: Runners restricted to the west lane on Indian Brook Dr and to the north lane on 6th St.

Note: Map not drawn to scale. Many streets and cross streets not on map.
